

## THE COOKING DEMONSTRATION TENT RETURNS TO VINTAGE OHIO

Led by Celebrity Chef Lisa Delgado, now in her ninth year coordinating Vintage Ohio cooking demonstrations, this high-energy experience has been a festival favorite since she came on the scene.

Each chef will be presenting a unique menu item and pairing it with some of the wines featured on Festival Field.

Lisa is brand ambassador to a dozen or more companies and will be using products like Traeger grills, B and B charcoal, Tuxton China, Gunter Wilhelm Knives and Duck Fat spray as a part of her presentations. As one of the region's premier personal chefs, she offers private five-star dining for every occasion. She has appeared on Celebrity Chef, Food Network's Chopped and on FOX News.

Fred Stoldt, affectionally known as "Fred Hot," will be adding humor and jokes into his presentation where he features his own blended hot sauce and picking and spice blend. His passions include spicy flavor sauces, spicy pickled food, and spice blends.

Mike McCourt served in the Army as a helicopter crew chief before becoming a student of all styles of cuisine. That passion led me to friendships nationwide which led him to becoming a part of the Blackstone Griddle Crew offering a line of fine grills. He shares information about outdoor cooking, on Mile's Mess Hall social platforms.

Chef Mark Gomez and Selene Gomez appear often on Univision, the Spanish television network. They are known there as "Chefs to the Stars." He has cooked for more than seventy well known celebrities as well as for two presidents. We are honored they travel each year from their native West Texas to share their more than 35 years of talent at Vintage Ohio.

*Vintage Ohio is the state's ORIGINAL Ohio wine festival. Launched in 1995, it has become the model for a myriad of other similar events around the state and even across the nation. It is held annually on the first Friday and Saturday in August in Remarkable Lake County at the beautiful Lake MetroParks Farmpark in Kirtland, Ohio and is designed to showcase some of the best wines produced in the state. It features live music, scores of vendors, cooking demonstrations and lots of fun. This year's dates are August 4 and 5. Gates open at noon each day.*
