

Wines, wines, and lots of wines for every palate

Scattered around festival field, among interesting craft booths, corporate exhibitors, food vendors, musical stages, big oak trees, colorfully decorated tables and below puffy white clouds and blue skies will be a dozen wineries from every corner of the state pouring their wines for guests to explore and take home to enjoy. It is the place to discover new wines and wineries, a place to find something that perfectly matches every palate. There will be viniferas, hybrids, natives, reds, whites, rosés, ciders, fruits of all kinds, “fun” wines,

“serious” wines, sweet, dry and everything in between.*

Then, in two specialty tents, this year the festival will be showcasing one gold wine from fifteen of the ‘best of the best’ winners in the 2023 Ohio Wine Competition. It will be the only time and place where so many of these spectacular wines will be available to the public in a single setting.*

Vintage Ohio is the state’s ORIGINAL Ohio wine festival. Launched in 1995, it has become the model for a myriad of other similar events around the state and even across the nation. It is held annually on the first Friday and Saturday in August in Remarkable Lake County at the beautiful Lake Metroparks Farmpark in Kirtland, Ohio and is designed to showcase some of the best wines produced in the state. It features live music, scores of vendors, cooking demonstrations and lots of fun. This year’s dates are August 4 and 5. Gates open at noon each day. www.VisitVintageOhio.com for more information and to purchase discounted advance tickets.
